Re: After School Sports Policy & Safety Procedures

GENERAL POLICY

Students eligible for the CYAA Sports Program will be supervised by their respective coach(es) from 3:00pm - 5:00pm, according to the game and practice schedule.

Students NOT participating in a team sport and remaining on the grounds after 3:00pm MUST be supervised by a parent/adult. This is NOT the coaches responsibility. Their teachers will escort the students who remain on the school grounds after 3:15pm to the Extended Day Program in the Hall. Parents/guardians can pick them up through the Preschool Room on the North side of the school.

SAFETY PROCEDURE

Should a parent be delayed in picking up a student athlete from the Sports Program (Practices or games), the following procedure will be implemented:

- The Coach will escort the student to the Extended Day Program, where they will stay until a parent/guardian picks them up.
- The cost for Extended Day is \$1.75/hour per child until 6pm. After 6pm, the cost is \$1.00 PER MINUTE!
- Practices will end no later than 5pm. Parents arriving after 5:00pm will go through the Preschool Room to pick up child from Extended Day Program.
